

A dramatic mountain landscape with a winding road and a pink light trail. The scene is set in a high-altitude mountain range with steep, rocky slopes covered in patches of green grass and small snowfields. A winding asphalt road with a white line runs along the edge of a cliffside. A vibrant pink light trail follows the curve of the road, creating a sense of motion. The sky is filled with dark, heavy clouds, with some light breaking through near the horizon. The overall mood is majestic and awe-inspiring.
